Thank you for the quote.

I had some questions. Originally, I left you a voice mail message with the following specifications.

The location is the Orangeville Township Hall and playground. Our lawn care provider has suggested that we should spray around the outside base perimeter of our building, the pavilion, and playground area for insects. In the past we have had issues with bees or wasps in the gable entrances of structures.

I just want to make sure that your quote covers all of the areas because it doesn't state that in the quote. Would you please confirm what will be covered by your quote by email to me by the end of the day today? I will be presenting the quotes to our Township Board at our next meeting on 5/5/2026.

Thank you for your assistance. I look forward to hearing from you.

Hi Vivian,

I received your form submission about pest control for the Orangeville Township Building perimeter, playground, and pavilions. I have a few questions about what you're looking for from pest control before I send over a quote. You stated that insects/bugs are the main concern - with wasps often present in the gable entrances. Do you also have any issues or concerns about mice inside the building? If there are no rodent concerns, I recommend a seasonal service (or winter skip). I offer services on a quarterly, bimonthly, or monthly basis. If wasps are a concern on the playground or if ground bees are frequent, I would recommend a bi-monthly service. The play ground equipment would only be treated on an as needed basis to reduce potential exposure to pesticides for children playing on the equipment. The pavilions and buildings will be treated every service with repellants to reduce pests on and inside the structures. I will also offer free callbacks between services as needed for covered pests. Let me know if mice are a concern or if you are only concerned about insect pests. I can send a quote over today or tomorrow once I hear back from you about more specifics on pest control needs. If you would like to discuss more, you can reach me by email, or phone at 269-360-1838. We can also schedule a free walk-through to discuss services in person if you prefer. I can usually schedule services within a week of the signed agreement, and accommodate most service time requests.

Thank you for reaching out, and I look forward to hearing from you again soon.

I attached an estimate for bimonthly service. It covers the mainbuilding, the two pavilions, the shed near the baseball field, and the playground. All buildings will be treated bi-monthly, and the playground as needed. Covers most insect pests including spiders, wasps, boxelder bugs, stink bugs, and ants. It does not cover termites, wood-destroying beetles, or rodents. This can be a seasonal service, covering spring through fall.

Let me know if you have any questions, or if you would like to proceed with this service plan, and we can schedule it.

Good morning Jessica:

Thank you for the estimate. If we contract for the April through October is the price the same? If you could let me know my Monday, that would be great.

My hope is to have this on the May Township Board meeting agenda.

1. Section 211.34d, M.C.L., "Headlee" (for each unit of local government)

See STC Bulletins 3 of 1995 and 3 of 1997 regarding the calculation of additions and losses.

$$\begin{aligned} & (\text{2025 Total T.V.} - \text{2026 Losses}) \times \text{CPI} \\ & (\underline{227,247,583} - \underline{1,557,700}) \times 1.027 = \underline{231,783,510} = \boxed{0.9882} \\ & (\text{2026 Total T.V.} - \text{2026 Additions}) \\ & (\underline{243,205,543} - \underline{8,648,500}) = \underline{234,557,043} \end{aligned}$$

2026 Millage Reduction Fraction (Headlee)

ACTUAL 0.9882

Round to 4 decimal places in the conventional manner.

2a. Section 211.34, M.C.L., "Truth in Assessing" (for cities & townships if S.E.V. > A.V. for 2026 only)

$$\frac{\text{2026 Unit Total Taxable Value based on AV}}{\text{2026 Unit Total Final Taxable Value (based on S.E.V.)}} = \frac{243,205,543}{243,205,543} = \boxed{1.0000}$$

2026 Rollback Fraction (Truth in Assessing)

ACTUAL 1.0000

Round to 4 decimal places in the conventional manner.

See STC Bulletin No. 6 of 2026 for more information regarding this calculation.

2b. Section 211.34, M.C.L., "Truth in County Equalization" (for villages, counties and authorities if S.E.V. exceeds C.E.V. for 2026 only)

$$\frac{\text{2026 Unit Total Taxable Value based on C.E.V.}}{\text{2026 Unit Total Final Taxable Value (based on S.E.V.)}} = \frac{243,205,543}{243,205,543} = \boxed{1.0000}$$

2026 Rollback Fraction (Truth in County Equalization)

ACTUAL 1.0000

Round to 4 decimal places in the conventional manner.

See STC Bulletin No. 6 of 2026 for more information regarding this calculation.

3. Section 211.24e, M.C.L., "Truth in Taxation" (for each taxing jurisdiction that levied more than 1 mill for operating purposes in 2025 only)

$$\begin{aligned} & (\text{2025 Total T.V.} - \text{2026 Losses}) \\ & (\underline{227,247,583} - \underline{1,557,700}) = \underline{225,689,883} = \boxed{0.9622} \\ & (\text{2026 Total T.V.} - \text{2026 Additions}) \\ & (\underline{243,205,543} - \underline{8,648,500}) = \underline{234,557,043} \end{aligned}$$

2026 Base Tax Rate Fraction (Truth in Taxation)

Round to 4 decimal places in the conventional manner.

Use the same amounts for additions and losses as were used for the 211.34d ("Headlee") rollback.

NOTE: The truth in taxation BTRF is independent from the cumulative millage reductions provided by MCL sections 211.34d and 211.34. The Base Tax Rate equals the BTRF X last year's Operating Rate levied.

2026 Millage Reduction Fraction Computation

This form is issued under authority of Sections 211.34d and 211.150, M.C.L. Filing of this form is mandatory. Failure to file is punishable under Section 211.119, M.C.L.

INSTRUCTIONS: This form is to be completed by the county equalization director for all taxing jurisdictions which levy a property tax in his/her county. This form is to be filed with each unit of local government and with the State Tax Commission. Also provide a copy of this form to the equalization director of each county which shares an intercounty taxing jurisdiction. On this initial computation form, the 2026 millage reduction fraction (MRF) can be calculated only for taxing jurisdictions located exclusively within a single county. This will include the county unit as well as all townships and nearly every city and village. The MRF for a school district which is not fractional with any other county can also be calculated and listed on this form. For any taxing jurisdiction which extends into one or more other counties, leave the MRF column blank and enter the notation "IC" for intercounty.
