AGENDA REQUEST MEETING DATE: Oct 6 2026

REQUESTOR/CONTACT PERSON: Clerk Risner

BUDGET LINE ITEM (if applicable): 101-

REQUEST DETAILS: Due to continued vandalism at transfer station, I'm requesting the board purchase 2 trail cam security cameras. Cody (Plane Dumpsters) has provided them periodically but needs them for his personal use (deer hunting). Cody recommends Spartan trail cams which is the brand he uses. We know they have good reception and take clear pics based on his use of them. I'd like to propose Corey research pricing and possibility of also purchasing solar panels for these since he is the most tech savvy person on the board. Costs vary depending on the model. Most models come with anti-theft GPS which I think is essential. Cody did say that if we don't purchase solar panels he's ok with changing batteries out. We'd need to purchase a monthly subscription (normally $10-$15/camera) for these which I'd suggest Cody monitor the cameras since he's in charge of the transfer station. Some subscriptions have shared plans (where some one from township could monitor as well as Cody...I think)

Board consensus for Corey to research and purchase 2 trail cams with or without solar panels with applicable subscription at his discretion as long as it meets purchasing policy.
